

JOBS FOR THE FUTURE @ A GLANCE

Jobs for the Future (JFF) is a national nonprofit that builds educational and economic opportunity for underserved populations in the United States. We develop innovative career and educational programs and public policies that increase college readiness and career success, and build a more highly skilled workforce. With over 30 years of experience, JFF is the national leader in bridging education and work to increase economic mobility and strengthen our economy.

OUR VISION

The promise of education and economic mobility in America is achieved for everyone.

OUR MISSION

Jobs for the Future works to ensure that all lower-income young people and workers have the skills and credentials needed to succeed in our economy.

OUR GOALS

- To achieve our mission, we focus on three goals:
1. All lower-income young people graduate high school on a clear path to college completion and career success.
 2. All underprepared students gain the skills they need to earn postsecondary credentials with high labor market value.
 3. All lower-skilled workers obtain the education and training required to move into family-supporting careers with clear paths for advancement.
